ABOUT

BMT in Yachts, based in Southampton, UK, is one of the world's largest independent yacht design consultancies offering a vast portfolio of services.

BMT is a leading supplier of naval architecture and engineering services to the yacht industry, led by operating company BMT Nigel Gee. The company has a significant depth of experience across all hull form types, propulsion systems and structural materials.

The company retains a long term core of experienced individuals who are committed to the company's desire to deliver high quality work with a practical, pragmatic emphasis and attention to detail.

We deliver in-depth design and engineering services across the following disciplines:

- Naval Architecture
- Structural Engineering
- Mechanical and Systems Engineering
- Outfit Engineering
